Dear [redacted]

25X1

In FY 1986 over 200 SIS Officers will be eligible to retire. You are one of these officers. Without the proper succession planning, the potential exodus of such a large number of key Agency officers will create a difficult dilemma for senior management. To facilitate our planning, we are asking SIS Officers who will be eligible to retire by FY 1986 to provide some indication of their present retirement intentions. This information will be used for succession planning only and will not be considered binding. Your response by 9 August 1985 will be appreciated.
